

Paint-Along Supply List and Preparation for class

Gather your supplies, take a nice deep breath and be ready to have loads of fun! You can order official Bob Ross paints and supplies at BobRoss.com, or feel free to use your preferred variants.

Here are the supplies that you'll need:

11" x 14" or 12" x 16" Pre-stretched primed canvas

Table covering to protect from paint

Easel

Bob Ross odorless paint thinner in a container

Paper towels, to clean the paint off your brushes

Palette or palette paper taped on table covering shiny side up.

Baby Wipes (optional for cleaning paint off your skin.)

Bob Ross tools:

1" Landscape Brush

#3 Bristle Fan Brush

#5 Painting Knife

Bob Ross Oil Paints:

Liquid White

Titanium White

Phthalo Blue

Alizarin Crimson

Sap Green

Cadmium Yellow

Preparation for class:

Cover your table and set up your easel with the canvas unwrapped and placed on the easel.

Have torn off paper towels handy.

Just prior to class, (about 30 minutes or so) place your paints along the top long edge of the palette as follows, going left to right, about 1 ½" apart. Squeeze out about one Hershey's Kiss size pile of each, except Phthalo Blue, use ½ Hershey's Kiss size of that color.)

Cadmium Yellow

Sap Green

Alizarin Crimson

Phthalo Blue

Titanium White

Shake your Liquid White bottle vigorously and pour a small puddle on your palette paper, about the size of the palm of your hand.
